

Gladstone Healthy Harbour Partnership

2016-17 ANNUAL REPORT

Gladstone Harbour is a recognised icon, highly valued by the community, government and industry. Gladstone Healthy Harbour Partnership (GHHP) is chartered with independently monitoring and reporting on the health of the Gladstone Harbour and in doing so, provides an annual report card.

Led by the guiding principles of open, honest and accountable management; harbour monitoring and reporting is communicated to our partners, decision makers and the community in a proportionate manner.

GHHP's website contains details on all aspects of the partnership's operation.

Paul Birch,
GHHP Chair

A Message from the Chair

It is with pleasure I present the fourth annual report for Gladstone Healthy Harbour Partnership (GHHP). This year highlighted the continued development of GHHP with more indicators developed and the report card presented in a clearer way, including showing individual indicator grades and scores.

For the first time we are able to introduce mud crab information, adding additional components to the fish and crab indicator. We also have greater detail available for fish and corals to give a more comprehensive picture of harbour health. Each year we have continued to improve and report the health of our harbour in line with the vision determined by the community. All 25 partners should be exceptionally proud of the work undertaken to produce the 2017 report card and the information it provides to the community.

Our performance highlights our commitment to maintain the health of our magnificent harbour by collaboration, transparency, accountability and clear communication. Once again, I would like to acknowledge the efforts of all science staff, communications team, Independent Science Panel (ISP) and the Management Committee. You are all to be commended for your dedication and commitment to ensuring the messages about the harbour are clear and concise.

Gladstone Healthy Harbour Partnership (GHHP)

ESTABLISHED
2012

PARTNERS

25 partners representing: community; traditional owners; industry; science; government; and harbour management.

MANAGEMENT COMMITTEE

Ten members representing: community (3); government (3); industry (3); and research (1).

CHAIR

Paul Birch

INDEPENDENT SCIENCE PANEL (ISP)

Eleven members providing independent scientific advice.

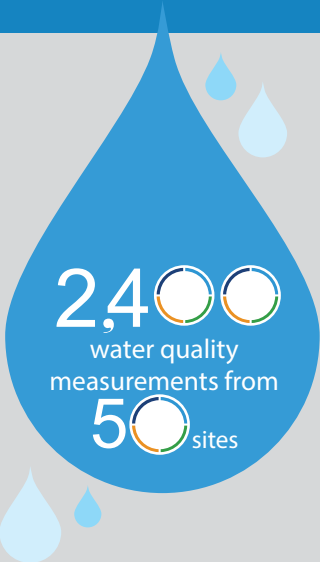

ISP CHAIR

Professor John Rolfe

Statement of Income & Expenditure Report

Fitzroy Basin Association Inc. (Host of GHHP) **REPORT START DATE** 1st July 2016 **REPORT END DATE** 30th June 2017

	2016-17	2015-16		2016-17	2015-16
	\$ (GST Exclusive)	\$ (GST Exclusive)		\$ (GST Exclusive)	\$ (GST Exclusive)
Income			Expenditure		
Carryover	2,255,131.84	4,162,754.60	Projects	1,680,252.75	1,959,428.35
Memberships Revenue 15/16	0.00	612,370.00	Salaries and oncosts	346,349.40	348,577.01
Memberships Revenue 16/17	1,512,600.00	0.00	Promotions	18,583.45	52,305.78
Interest Revenue	14,555.70	27,117.62	Governance	27,197.74	186,799.24
Total Income	3,782,287.54	639,487.62	Total Expenditure	2,072,383.34	2,547,110.38
			Surplus / (deficit)	1,741,560.68	2,255,131.84

5k people enjoyed the GHHP float in the Harbour Festival Easter Parade

2k 2016 report cards handed out

910 bream and 470 mud crabs caught and released alive to calculate the fish and crab indicator group score

401 Gladstone residents surveyed

Over 150k individual data points logged in the Data Information Management System (DIMS)

7 community delivered citizen science projects

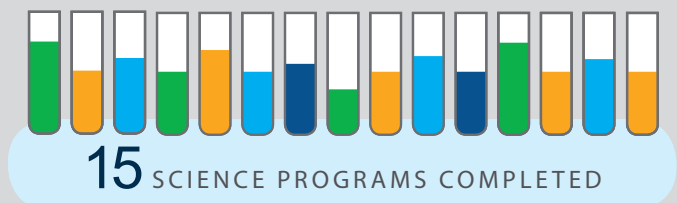

13 schools implementing the GHHP education resources in curriculum

201 volunteer participants assisting with the Myco Restoration Project

8k story books distributed over 3 years

700 students visited GHHP science week display

3 public readings of storybook, Barry and Jenny's Release
